

Personal Update and Thanks for Supporting Us Making Disciples of Men

Our oldest son, Christopher, graduated from high school at Second Baptist School on the 24th and has been accepted to the University of Texas Business School for this Fall (see our family pic!), so we've had a lot to celebrate. Christopher had encouraging athletic and academic honors given to him from school, with his acceptance into UT making him wake everyone up @3 one morning to join the celebration. He's met with other Christians to talk about walking with God in college and we feel ready to release him to the world. He's learned a lot from his older sister Margaret as she gets ready for her 3rd year at the University of Oklahoma. Margaret has joined a ministry called Student Mobilization for a 9-week project this summer in Panama City Beach, FL. We hope to drive for a family vacation to at least get a little more time with her. Her other siblings John and Ashley will soon have the full attention of their parents once the Fall arrives.

We really appreciate all the special support we've received so far this year that covers our costs to make disciples in and outside of Houston. Many getting discipled have begun ministering to others and we keep getting closer to covering the budget for a sustainable outreach. Men will now use Scripture more often to change lives as they learn to reach out. Local churches also have expressed an interest in getting involved in this individual disciple-making.

During the year everyone receiving this gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.
